I think a premeeting on Monday is a good idea.
Please include John Fogarty on all emails going forward, as he will be working with WCED on this case.

Debra – Please schedule a one hour meeting on Monday with everyone on this email.

Thanks,
Susan

Susan-

Here is the entire final CAFO for Texas which includes the SEP appendix and the language regarding electronic tracking. I am also attaching the unused "Appendix II" regarding third party auditors.

Ex. 5 AC/AWP/DP

Ex. 5 AC/AWP/DP

A quick update as well – Marcia Moncrief, the attorney for the R6 matter, but we will be chatting with Mike Barra today and (hopefully) Mark Potts tomorrow to fill them in and do whatever we can to flesh out our knowledge of their negotiations and R6 impressions on what belongs in a potential national settlement.

Ex. 6 Personal Privacy (PP)

We will move post haste to pull together our 'asks' for these discussions, but I am hoping it will be ok if we do not have a definitive list by Tuesday. Talking to Marcia will be important and there is CBI at the region from a 3007 request that we need to get sent to us etc.

We can do a pre-meeting on Monday or on Tuesday morning to refresh facts for everyone and update on the state of play if that would be helpful.
